Message from our Head Coach

A few teams experienced last minute cancellations and forfeited games due to a lack of available players. Unfortunately people already travelled to those games. We are now creating preventive systems to make sure nobody travels unnecessary.

Your team manager needs to know up front if you will be able to attend the game or not. Please return their email on your next game before Friday nights, so we can make arrangements if needed.

Does your team manager have your cell phone number, so you can be reached for last minute cancellations or other emergencies?

If not, please let them know **ASAP**

Thanks for being team player!

Reminder to all players—attendance of 50% of the seasons' games is required in order to be allowed to play in the final tournament by LMWPL.

Social Event & Scrimmage with KSI Central Sport School Hungarian Water Polo 12U team

THANK YOU!

The Hungarian delegation comprised of 19 athletes aged 12 and under, three parents, a coach and a referee had arrived in Vancouver on Friday, February 7, 2014. The delegation was in transit to Victoria where they plan to stay and practice water polo with the Saanich Water Polo School and participate in the February 13 – 16, 2014 Valetines' Water Polo Tournament. The Head Coach, Ferenc Vindish is a graduate and ex-coach of the famous KSI Hungarian water polo school. Ferenc and his wife, Gabriella, successfully established the Hungarian water polo school concept into Saanich Water Polo School in Victoria. They host two international tournaments every year. The referee accompanying the team, Mr. György Juhász, is a FINA level referee who officiated the Gold medal game at the 2012 Olympics in London.

This entire Hungarian delegation was hosted, while in Vancouver, by members of our Coquitlam Lions Club and other families from the Hungarian lower mainland community. Such a great community spirit!

Coquitlam Lions Social Event and Scrimmage night on February 8, 2014 with guests athletes from *KSI Central Sport School* from Budapest—Hungary, had been a huge success.

A big THANK YOU!

To all parents that have organized and helped with the event.

Thank you! to City of Coquitlam and Pacific Storm Club helping out with pool time and meeting space.

Thank you! to Dollar Stores in Coquitlam to sponsor the gifts for the young Hungarian athletes.
