

## Volunteer requirement – 10 hours per player

For each player registered into any training group *starting* from 11U and up to and including 19U, parents/guardians must contribute 10 hours of volunteer time to the club per player registered.

Example: One player = 10 hours and 2 Players = 20 hours

Please submit a volunteer fee deposit for a value representing the number of players enrolled. Example amounts: One player = \$150, Two players = \$300
